Ciders, Gluten Free & Non-Alcoholic

Hard Cider

Imagine fermenting apple cider and getting an adult beverage! That’s what they’ve done here, but haven’t limited themselves to just apples. Ciders range from sweet to dry, and are generally light bodied and crisp.

Black Currant Cider	Fox Barrel Cidery, Colfax, CA	5.5	\$5.00
Samuel Smith’s Organic Cider (550 ml)	Samuel Smith Old Brewery, Tadcaster, ENG	5.0	\$13.00
Henney’s Cider (500 ml)	Henney’s Cider Co., Herefordshire, ENG	6.0	\$17.00
2007 Julien Frémont Cidre Brut (750 ml)	Juline Frémont, St Georges en Auge, FRA	5.5	\$23.00

Gluten-Free

This beer is an ale with a pilsner style finish, but its appeal is the fact that it’s gluten-free for our gluten-intolerant friends.

Sorgham (16.9oz)	St. Peter’s Brewery Co., Suffolk, ENG	4.2	\$14.50

Non-Alcoholic

Not much more to say than that.

Clausthaler Premium Non-Alcoholic	Binding Brauerei, Frankfurt, GER	< 0.5	\$4.50
